CLEP® Biology At a Glance Description of the Examination The Biology examination covers material that is usually taught in a one-year college general biology course.

CLEP Biology - College Board

Biology is the natural science that studies life and living organisms, including their physical structure, chemical processes, molecular interactions, physiological mechanisms, development and evolution. Despite the complexity of the science, there are certain unifying concepts that consolidate it into a single, coherent field. Biology recognizes the cell as the basic unit of life, genes as ...

In contrast to the traditional biotechnological practice of obtaining peptides or proteins by isolation from cellular hosts through cellular protein production, advances in chemical techniques for the synthesis and ligation of peptides has allowed for the total synthesis of some peptides and proteins. Chemical synthesis of proteins is a valuable tool in chemical biology as it allows for the ...

One-Hundred-and-Twenty-Sixth Annual Undergraduate Bulletin

The definitive text in cell biology. As the amount of information in biology expands dramatically, it becomes increasingly important for textbooks to distill this vast amount of scientific knowledge into concise principles and enduring concepts.

Molecular Biology of the Cell (Sixth Edition): Bruce

Recent advances in cell biology and genetic engineering have changed the way we think about medicine. Indeed, we are witnessing a potential shift from the traditional paradigm of health care to one with greater focus on the possibility of regenerative and curative treatments.

Manufacturing Cell Therapies: The Paradigm Shift in Health

Glioblastoma multiforme (GBM) is the most common and most malignant of the glial tumors. See the image below.

Glioblastoma Multiforme: Practice Essentials, Background

Title: The name of the journal, publication series or the book publisher. You may enter the whole name to search for a specific publication channel, or use a specific search term, in which case you will find all titles in which the term appears.
