... property, real or personal, in possession or in action, ... intellectual property rights, which are personal, movable property. This is considered a lawful object.

Importance of Assignment Agreements under Intellectual

lawmakers throughout the world are busily revising their intellectual-property laws.¹ Partly as a result of these trends, scholarly interest in the field has risen dramatically in recent years. In law reviews and in journals of economics and philosophy, articles deploying "theories" of intellectual property have proliferated.
