Coconut Milk Soap Recipe - From Saponification to Success

Pears transparent soap is a brand of soap first produced and sold in 1807 by Andrew Pears at a factory just off Oxford Street in London, England. It was the world's first mass-market translucent soap. Under the stewardship of Thomas J. Barratt, A. & F. Pears initiated a number of innovations in sales and marketing. A. & F. Pears was acquired by Lever Brothers, now Unilever, in 1917 and products ...

How to Make a Homemade Dog Shampoo Bar Soap - Oh, The

Titration, also known as titrimetry, is a common laboratory method of quantitative chemical analysis that is used to determine the concentration of an identified analyte. Since volume measurements play a key role in titration, it is also known as volumetric analysis. A reagent, called the titrant or titrator is prepared as a standard solution. A known concentration and volume of titrant reacts ...

Titration - Wikipedia

Open Access journals are the major source of knowledge for young and aspiring generations who are keen in pursuing a career in sciences. This system provides easy access to networks of scientific journals. Authors that contribute their scholarly works to Open Access journals gain remarkable reputation as the research scholars explore these works extensively.
