Magic is a category in Western culture into which have been placed various beliefs and practices considered separate from both religion and science. Historically, the term often had pejorative connotations, with things labelled magical perceived as being primitive, foreign, and Other. The concept has been adopted by scholars in the study of religion and the social sciences, who have proposed ...

A magical organization or magical order is an organization created for the practice of magic or to further the knowledge of magic among its members. "Magic" in this case refers to occult, metaphysical and paranormal activities, not to the performance of stage magic. Magical organizations can include hermetic orders, Wiccan covens or Wiccan circles, esoteric societies, arcane colleges, witches ...
