Awards - National League for Nursing

School leadership is the process of enlisting and guiding the talents and energies of teachers, pupils, and parents toward achieving common educational aims. This term is often used synonymously with educational leadership in the United States and has supplanted educational management in the United Kingdom. Several universities in the United States offer graduate degrees in educational leadership.

Educational leadership - Wikipedia

This study was motivated by the premise that no nation grows further than the quality of its educational leaders. The purpose of this theoretical debate is to examine the wider context of leadership and its effectiveness towards improving school management. This academic evaluation examines recent theoretical developments in the study of educational leadership in school management.
