The D&D Basic Rules document is divided into three parts. Part 1 is about creating a character, providing the rules and guidance you need to make the character you™ll play in the game. It includes information on the various races, classes, backgrounds, equipment, and other customization options that you can choose from.

The EncyclopÆdia Britannica has been published continuously since 1768, appearing in fifteen official editions. Several editions have been amended with multi-volume "supplements" (3rd, 5th/6th), consisted of previous editions with added supplements (10th, and 12th/13th) or undergone drastic re-organizations (15th).

Socialized medicine is a term used in the United States to describe and discuss systems of universal health care: medical and hospital care for all at a nominal cost by means of government regulation of health care and subsidies derived from taxation. Because of historically negative associations with socialism in American culture, the term is usually used pejoratively in American political ...
